Orion Health™ documentation is an independent publication and has not been authorized, sponsored, or otherwise approved by Apple Inc., Google Inc. or any other third party.

This document is provided subject to the terms of the license and support agreement relating to the software application. Orchestral Developments Limited has made reasonable efforts to ensure that all information contained in this document is accurate, but no liability is accepted by Orchestral Developments Limited, its agents or suppliers for use of the documentation by the end user or any other party.

Orion Health™ applications employ third-party software components, each of which is subject to its own license terms. These licenses and any associated documentation are included with the installed product.

The UMLS Metathesaurus License (or such other licenses as may be required by local terminology vendors) may apply to the use of data accessed by this software application. Please refer to <https://uts.nlm.nih.gov/license.html> for the UMLS Metathesaurus License text.

Questions or concerns relating to this documentation should be addressed to the supplier from whom the product was obtained.
